The Governing Board of the Fillmore Unified School District solicits community feedback regarding the draft trustee area map plan scenarios that were posted April 26, 2022, on the FUSD website:

In a by-trustee area elections system, the Fillmore Unified School District would be divided into trustee areas and each Governing Board member would be elected by only the registered voters in the particular trustee area where the Governing Board member resides. The Governing Board is currently elected using an at-large elections system, in which all Governing Board members are elected by voters of the entire District.

At two previous public hearings held on **April 5, 2022, and April 19, 2022**, the District's demographer received input into the creation of draft trustee area map plan scenarios. By law, the District must conduct at least two public hearings on the map plans prior to selecting a final by-trustee area election map plan for the election of Governing Board members commencing in November of 2022. The first such hearing was held on **May 3, 2022**.
